

Circle of Love

Our National Program

The seven points selected indicate the needs of the Church and community best served by the Catholic Daughters.

We are aware of the needs in society that are deeply affecting today's generation, the elderly, and human life.

To be effective in promoting good works, we must reach out and make a difference in the lives of those who are suffering.

If we are to be Jesus' hands and feet, then we must use the talents He gives us, become educated in new fields, volunteer our services and give financial assistance where needed.

Members are encouraged to develop leadership skills, dedication and great enthusiasm for the work of Christ and His Church.

Answer our Lord's call with faith, generosity and love by joining the Catholic Daughters of the Americas!
